

Don't Forget! the Food Ministry!

Please bring a can or a box a week for the Food Basket at the side of the church. The basket is then brought up to the Altar along with the offering every Sunday and is blessed with our offerings.

All the donated food items are brought to Interfaith Ministries, where they are very welcome.

We would also like to keep some of the items in our church pantry for times they may be needed.

A BIG THANK YOU to Robert & Sharon Neller for all their faithful work bagging and bringing the donations into Interfaith Ministries.

+ Christian Symbols + Circle

The circle is a symbol for God, as well as for eternity, due to its lack of a beginning or an end. It also reminds us of how the church year (not unlike the secular calendar) flows from season to season and moves smoothly from Christ the King Sunday (the culmination of the liturgical calendar) to the First Sunday of Advent (a new beginning). Indeed, the One who rules all is the same One whose first and final comings we anticipate anew during Advent.

Computer Give-Away a Success!

On Saturday, November 1, sixty-five computers were given to students from Mark Twain Jr. High, LaLoma Jr. High and Hanshaw Middle School. These students are selected by teachers and counselors based on their high achievement and low income status.

Once again, we had many helpers and would like to thank Seth Simas, Richard Shabazian and Mary Lopez, to name just a few.

The hard drive on the computers are scrubbed and new free software (Linux) is installed. If the system is unable to be fixed, parts can still be taken from them to use. The parts that can't be used are taken to E-Waste.

Please help us to continue this wonderful ministry. All personal and business donations are welcomed. 2nd Chance Computers business cards are available at the church and all donors will receive a donation receipt. Thanks for all your support!

Thankful TREE

Make this Thanksgiving decoration and keepsake as a reminder of God's many blessings.

What you need:

- Acrylic paints
- Paint brush
- White cardstock (8" x 11")
- Baby wipes or wet paper towels
- 8" x 11" frame (available at dollar stores)
- Black permanent marker
- Bowls or paper plates

What you do:

1. Paint your palm, fingers, wrist and a portion of your arm with brown paint.
2. With the white cardstock placed vertically, press down your painted hand and arm. The print should resemble a tree trunk and branches.
3. Clean your hand and arm with baby wipes or wet paper towels.
4. Dip your fingertips into different-colored paints and press them onto the paper to make leaves. (It's autumn, so leaves can be falling!)
5. When paint is dry, write "thankful" down the trunk with permanent marker. Also write your name and the year in the corner.
6. Frame and display your decoration.

GALATIANS 6:9, NIV

Bishop's Note: Collect for the week of Pentecost 19 - Proper 24

"Almighty and everlasting God, who in Christ hast revealed thy glory among the nations: Preserve the works of thy mercy, that thy Church throughout the world may persevere with steadfast faith in the confession of thy Name; through the same Jesus Christ our Lord, who liveth and reigneth with thee and the Holy Spirit, one God, for ever and ever. Amen."

This week's collect begins by declaring Christ's Glory among the nations! How does that happen? It happens when the Church takes her rightful place among the people of all nations. How powerful it is to witness the people of God, as the Church of God, acting like the adopted children of God in the four corners of the earth.

I think of my experiences at Santa Maria Magdalena in Juliaca, Peru. Juliaca is a town that sits at 12,500 feet above sea level in the Andes. Bishop Godfrey, the Anglican Bishop of Peru, had a vision for a church on the mountaintop and sent different missionaries to meet with and love the people of Juliaca. When I arrived, a priest and deacon were stationed there - both were single and willing to live at poverty level in a place with few creature comforts. Fr. Ruben & Dcn. Luis went out into the community daily to talk with people, pray with them, to share food, clothing, and medicine with them, and, most importantly, to share the Good News of Jesus Christ with them. Slowly but surely the church grew, and the two of them began to be accompanied by more and more laypeople who were empowered to love and serve the Lord. The impact this little church had was, and is, far beyond the number of people or the size of their budget.

The story of Santa Magdalena has been, and will continue to be, retold hundreds of

thousands of times, if not millions of times, around the world. Wherever the Church faithfully proclaims the Good News of Jesus Christ and Christians act in love and charity, the Glory of Christ is made evident.

This Lord's Day, as we gather in our churches, homes, and storefronts to worship, I pray that we will seek God's grace and strength to go far and wide in order to make the Name of Jesus known by our words and deeds.

*I pray you all a blessed week!

Gratitude's Gifts

Gratitude gets us through the hard stuff. To reflect on your blessings is to rehearse God's accomplishments. To rehearse God's accomplishments is to discover his heart. To discover his heart is to discover not just good gifts but the Good Giver.

Gratitude always leaves us looking at God and away from dread. It does to anxiety what the morning sun does to valley mist. It burns it up.

Recycling Update

Keep up the good work and keep bringing in plastic soda bottles and aluminum soda cans. To date, our recycling efforts have brought in **\$202.51**.

Don't forget your used toner and ink cartridges. Office Max has changed their recycle policy and will now only take 10 cartridges per month. That is still a \$10.00 credit for office supplies and newsletter copying.

Thank you for only putting aluminum soda cans and plastic soda bottles or crv juice bottles in the recycle cans. It makes the job much easier.

My Thankful Heart

Making the stuffing for Thanksgiving dinner helps restore my heart to gratefulness. First I cut bread into cubes to dry out. Has it really been a year since I thanked God for the simple things of life? Dear God, thank you for my daily bread. Next I boil giblets for the tasty broth. When did I last express thanks for my body — even the oft-forgotten parts? Thank you, God, for creating and sustaining me.

Then I dice onions and celery, adding them to the mixture. That reminds me to thank God for abundant harvests. Finally I measure raisins, nuts, sage and salt into the stuffing, as scents fill the air. Lord, help me not grow weary of the interesting "spices" that fill my life.

As the stuffing goes into the oven, warm air wafting into the kitchen, I remember to thank God for providing my home. Here relatives and friends gather, often an odd combination. Yet when we bow our heads in thankfulness, we're an unbeatable mix.
